Oct. 21. 1865,

My dear Sir,

It is important  
that I should know at once  
if the United States have will  
they will not allow more  
French troops to be sent to  
America. Telegraph me  
yes, or no: I write at  
your leisure. Truly yours  
The whole question  
Yours old wd

Hon. J. Bigelow, Esq.
