

New York. June 1st / 875.

Barnum's Hotel.

Dear Mr. Bigelow; -

You have been to Carlsbad and know all about it. Will you be good and tell me? I want to know how much it would cost to go there from London, what it would cost per week at the Spa, which is the most tolerable and inexpensive hotel and who is the best medical adviser. Is not Carlsbad, the best tonic for one who inherits a tendency to rheumatic gout?

By answering at once
you will greatly oblige

yours sincerely,

Walter Field
