

House of Representatives U. S.,

Washington, D. C., ~~December 17, 1883.~~ 188 .

John Bigelow Esq.,

New York City.

Dear Mr. Bigelow:

I have received two printed notices asking Edward Cooper to send \$100.00 to Mr. Pine for his subscription to the Bryant Memorial, and asking me to send \$250.00, which is said to be the amount of my subscription. I have no recollection of having subscribed this amount and I think there must be some error. Will you kindly inquire and see whether a mistake in the amount has not been made in my case? I will then attend to the matter when I come to New York next week.

Yours sincerely,

Alvan S. Hewitt
