Honorable John Bigelow,

City.

My dear Sir:-

I am spending a few days here in the interest of our school at Tuskegee, Alabama, and I very much hope that you can see your way clear to make a contribution to our school at this time. In the midst of the present war excitement we find that it is necessary to make a special effort to get money to carry on the work. This will be my address for some days.

Yours truly,

Booker T. Washington
